**NAME : PHILEMON MANGANYE**  
**COURSE : MARKETING MANAMENT**  
**INSTITUTION : VINE COLLEGE**

My name is Philemon Manganye, I am 24 years of age. I was born in Winterveldt and I started schooling in Winterveldt. I completed my matric in 2005 and I came to Bokamoso in 2006. I started attending an ADP programs in Feburary 2006. Bokamoso helped me to study Marketing Management at Tshwane South College, but I didn't complete concerning the money problem, then I had to dropout.

In 2008 I started at Vine College as a first year student studying Marketing Management. The challenge I came across was about the money for transportation because there was no one working by that time. This is my last year in college and I happy to get the opportunity of furthering my career.

I just want to say thank you to all the people that took part in my career, Bokamoso youth center, my parents and the Americans. I want to see myself working for company around the Country so that I can be able to help others.

Thanks guys. Keep on doing the good work.
